

AirWave®

STATE OF THE ART TECHNOLOGY
CAN LOOK SO GOOD

AirWave1 - the air cushion system 4.0

AirWave Packaging introduces the next generation of air cushion machines: the AirWave1. Quick, quiet, connected to Bluetooth, modular and cost-efficient. Light at only 12.3lb, the AirWave1 delivers powerful performance. It supplies up to 4 workstations with reliable air cushions. It is programmable and can be seamlessly integrated into AIRWAVE's system technology. Whether small cushions or wide wrappers, the AirWave1 is a top performer in all categories.

The intelligent system features "one-key" technology with a patented outstanding design.
